INTRODUCTION

Megavolt Industrial Services are the emerging Contractors in the field of Electrical and Electromechanical Erection work including in house experts covers design, cost production, value engineering and total project management. We are also authorized for Substation Erection, Testing, Commissioning and Maintenance service with Class 1 'A' Grade Contractors and Engineers License.

Megavolt Industrial Services provide total Quality and Timely Construction activities using latest equipments and highly skilled manpower for Commercial and Industrial Consumers.

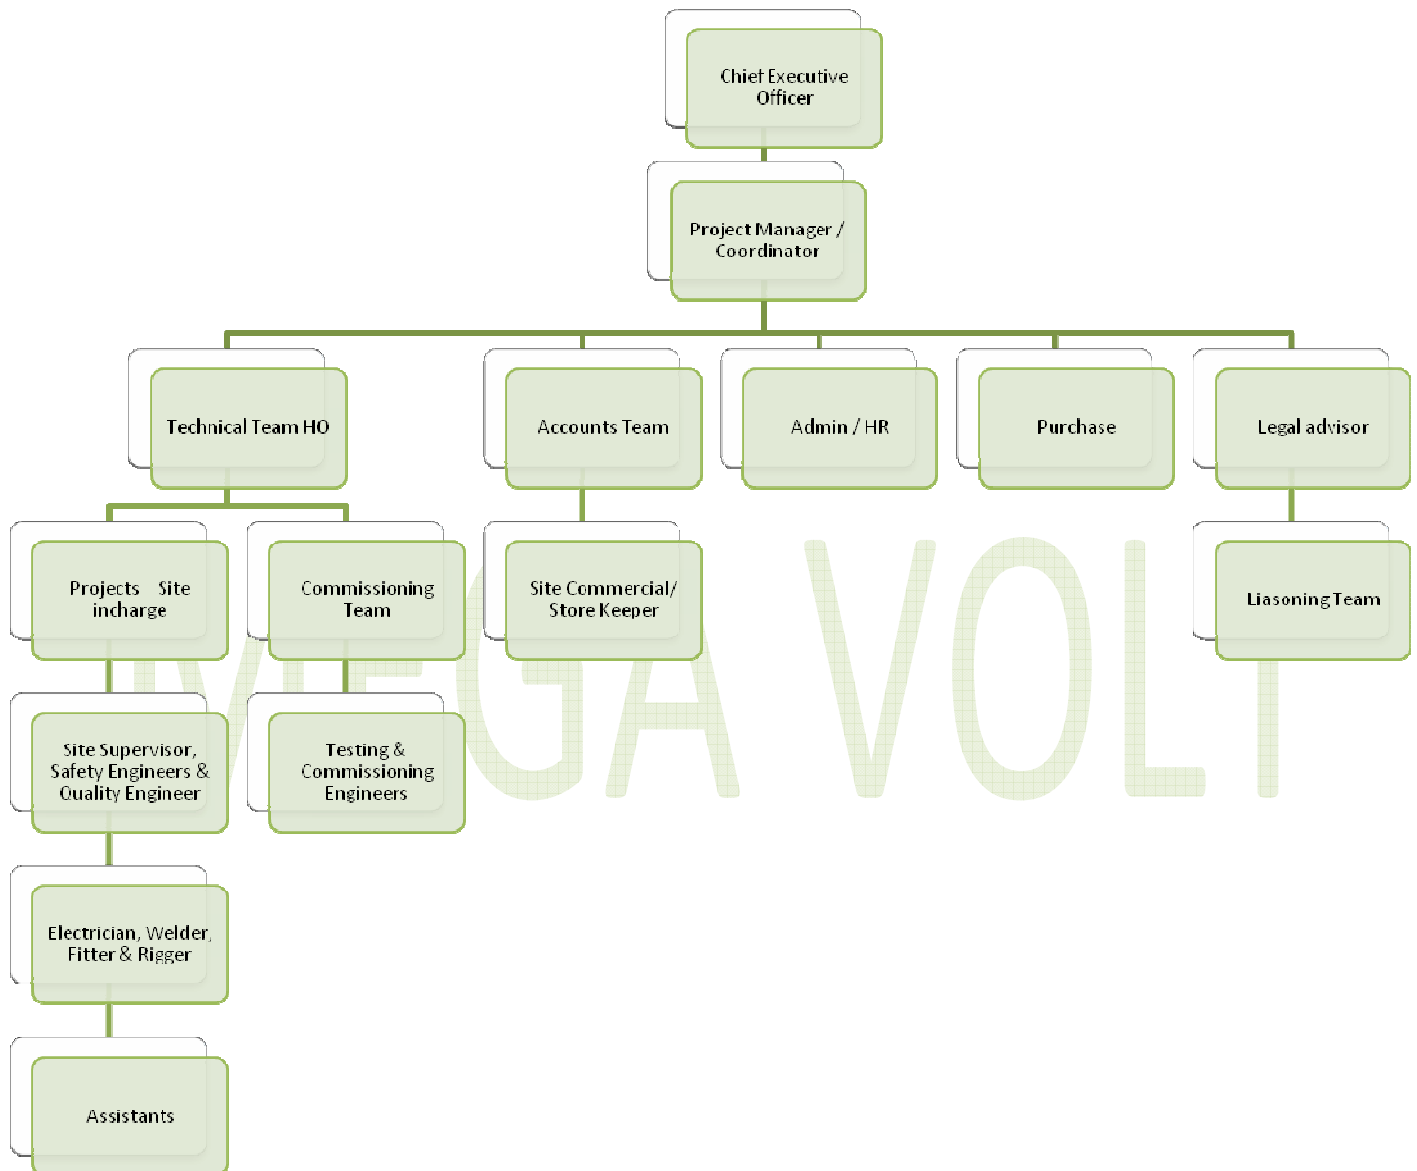

With the team comprising of Experienced Engineers, Supervisor, Foremen, Electricians, Fitter, Welders, and Technicians etc. We execute with proper Assistant and training under expert in that field before executing major and critical assignments.

We offer our expertise in the below mentioned process and services

- Industrial Engineering Services
- Electrical Supply, Installation Testing & Commissioning
- Pay Roll Management
- Service Provider/ Facility Management Services (FMS)
- Annual Maintenance Contract (AMC)

Megavolt looks towards the bright future; we are consistently adding new talents to our expert's staff to keep our services and ideas fresh and energetic.

ORGANOGRAM

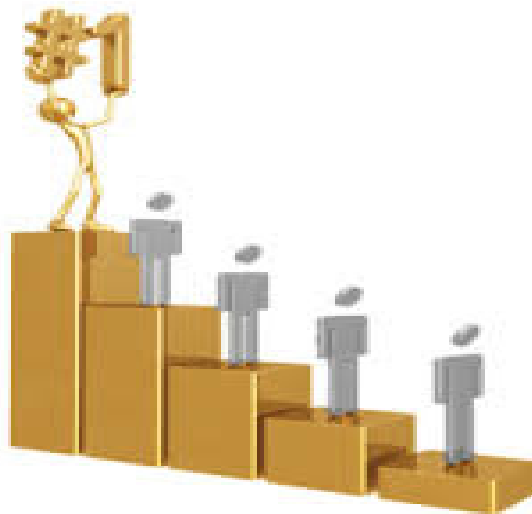

VISION

Megavolt's Vision is to be - **"Always Customer's First Choice"** – in Electrical, Electro Mechanical, Civil and Plumbing Service Companies in India / Abroad.

MISSION

To safely deliver the Quality work in time, In any environment, At Any time for the benefit of our Customers, Shareholders, Employees and the Communities, we serve.

GIGAVOLT (10^{12} V)

MEGAVOLT (10^6 V)

CORE VALUES

Safety

We are committed to making safety a top priority for all employees. We integrate safety and risk management into our daily Work, ensuring that it becomes a natural part of our Work's culture, enhancing management/worker cooperation and providing long-term positive results.

Integrity

We act with integrity and adhere to the highest standards of moral and ethical values. Acting with integrity builds trust which is a top priority in every relationship which we maintain from customers, employees, suppliers, to fellow co-workers.

Quality

We are committed to customer satisfaction through excellent performance. To achieve this vision we continually strive not only to meet customer expectations but to exceed them. We monitor our performance on all projects through our internal and external processes. Also we try to keep an improvement as we enhance our processes, customer relationships and industry recognition.

Innovation

We are committed to investigating new supply cum safety product & procedures to ensure we stay on top of advancing technology, growth within construction industry. Through our passion for construction and forward thinking project management style, we continuously diversify our skill set to separate us from our competitors.

Teamwork

Our employees are our greatest asset. Great teamwork allows Megavolt Industrial Service group to benefit from the combined strength of our individual talents, skills and expertise which are vital when tackling challenging projects.

MANAGEMENT PROFILE

S. Senthil Kumar – Proprietor, An engineering graduate in Electrical discipline, with about 18 years experience in execution of various projects like Power Plants, Automotives, IT industries, Defense Projects, Production Industries, Multi Storied buildings and Institutions Buildings helps the company in providing support to achieve goal. He has worked with Siemens Ltd more than 15 years and gained experience in various types of mega turnkey projects like Seabird INDIAN NAVY, Toyota Kirloskar, BITS Pillani, HSBC Data Processing Center at Sri Lanka / Kolkata / Hyderabad etc.

We are associated with

P.K. Subramanian - An engineering graduate in Electrical engineering discipline, with about 35 years experience and retired from M/s Tamil Nadu Electricity Board. He is familiarity with all Electrical standards, statutory norms and Liaison Activities etc.

We are associated with M/s Siemens Ltd / Voltamp Transformer Ltd / Schneider Electric Infrastructure Ltd. / Dynamic Power & Control Pvt. Ltd / Priya Electricals / Amararaja Power Systems / RPG Cables / Profab Cable Tray / Polycab Cable / Philips lighting etc.. These are the approved vendor supplying to various Projects.

SERVICES OFFERED

- Supply, Installation, Testing and Commissioning of HT & LT Equipment from 0.433 to 400 kV including Substation and Switchyards unit, HT & LT cables, Lighting including street light, Earthing, Lightning Protection system, Building Management System (BMS) including Fire alarm system etc. for various projects like Automotive Industries, Metro Rail Project, Defence Projects, Airport Project, Air Separation Unit, Refinery Units, Thermal Power Plant, Cement Plant, Cogen Plants, Paper Mill, Water Treatment Plant (WTP), IT Parks, Hotels, Malls, Education Institutions and Multi Storied buildings Housing societies.
- Trouble shooting, Testing and repair
- Liaisoning Job (CEIG / CEA / PCB/ Factory Inspector etc.)
- Pay Roll Management / Manpower Power Supply
- Service Provider/ FMS/Annual Maintenance Contract
- Operation and Maintenance Contract / Shut down Support for Plant equipment.

MANPOWER STRENGTH - MEGAVOLT TEAM

We have our Experienced Engineering Graduates, Technical Advisors, Diploma Engineers, Supervisor, Foremen, Technicians, Supporting Staffs and Workers.

SAFETY POLICY

Megavolt Industrial Services management firmly believes that Safety of its employers and all its Stakeholders associated with our project site facilities is of utmost importance. Safety is an essential and integral parts of all our work activities which include Planning, Procurement, Fabrication, Construction, Installation and Commissioning of Facilities by Services. We believe that every Incident or Accidents and Risk to health are preventable through the active involvement of Stakeholders, thereby creating a safe and accident – free work places.

With Regards to Safety objectives, Megavolt Industrial Services: -

- Comply with requirement of all relevant Statutory, Regulatory and Other provisions.
- Ensure the appropriate resources are available to fully implement the safety policy and continuously review the policy's relevance with respect to legal and business development.
- To provide appropriate level of training and support to Management and its Employees to ensure that they are able to fulfill Safety responsibilities.
- Work with major Suppliers, Business associates and Customers to facilitate their safety performance improvement and also make its obligatory for them to follow the project site safety rules, procedures, systems and safe practices.
- Create and promote safety awareness to protect all Stakeholders from foreseeable work hazards and risks through campaigns and training programs among Employees, Business associates and Customers.

The management sincerely believes that safety related incidents are preventable by coordinated team effort of all stake holders and through shared individual responsibility at all levels of safety issues thereby aiming to achieve continuous improvement and overall success to our safety program.

OUR GOAL: ZERO INCIDENT ZERO INJURIES

SAFETY PERSONNEL PROTECTIVE EQUIPMENT

M/s Megavolt Industrial Services provides safety PPE to their Employee and Workers while working at construction job sites.

Legends For PPE Required:

Sr No	PPE	Standards / Indicative Photograph
1	Industrial Safety helmet	IS 2925 / EN 397

QUALITY POLICY

Megavolt Industrial Services is committed to customer satisfaction by providing Highest Quality of Work Standard and Timely delivery of project services by continual improvement.

This will be achieved by our total commitment to:

- Continually improving the effectiveness of our “Quality Management Systems” i.e Internal Processes, Quality method and Tools.
- Deliver the internal and external customer’s requirement on quality right – first – time and every time, assure the performance of our services and satisfy our stakeholders.
- Meeting all applicable Legal and Regulatory requirements.
- To provide alternate solutions to ensure that our customers succeed.
- Continuous updating our technical competence & enhance the expertise of our people by periodic training.
- Periodically reviewing and upgrading the policy, so that it remains relevant and communicating it to all concerned.
- To avoiding effective NCR Management – Prevention, early detection and resolution using uniform approach, tool & reporting.
- Developing suppliers to mutually beneficial relationship and to consistently complying with Customer’s requirement.
- Promoting responsiveness, dependability and competence of all our employees for delivering upon their commitments and to training & developing them accordingly.

OUR GOAL: UNCOMPROMISE IN QUALITY WORK

Minimal site documentation activity to be implemented for enhancing Quality Management System.

- Allocation of right person for right job.
- Method Statement.
- Certified Welders/ Electricians.
- Engaging the Technical / Experienced People for the Critical Activities.
- Our Quality Engineers will ensure each & every activities on everyday basis.
- Filling Quality Check list after Completion.

Monthly review meeting are held to review the active results of the quality system to ensure that continuing Improvement of the system and processes are maintained.

ON TIME SCHEDULE DELIVERY

- Following Daily Progress Report
- Preparation of Daily Activity Plan/ Weekly Activity Plan/ Monthly Plan based on Master Project Delivery Schedule.
- Our Own developed Tracker will be followed for Each & Every activities & the Catch up plan will be made according to achieve the TARGET.
- Hindrance and Hurdles for while job progress will be highlighted to Customer.

ASSETS - LIST OF TOOLS & TACKLES

We have acquired with following well equipped tools & tackles to handle the jobs undertaken in a Organization.

SL. No	DESCRIPTION	QTY / UNITS
1	Flame proof Electrical Distribution board with socket & Extension Board with 5Core Cable.	13 Nos
2	Chain Pulley Block, Belt Sling, Metal Sling, Belt Wrench, Chain Wrench With Different capacity.	6 Set
3	Cable Rollers	50 Nos
4	100W Hand lamp with Guard having 50Mtrs 3Core Flexible Cable as per IS - 694	6 Sets
5	1000/500W Halogen lamp with having 50Mtrs 3Core Flexible Cable as per IS - 694 & Portable Emergency light	15 Sets
6	Combination / Cutting pliers with PVC insulated handles 1 No. of each size	18 Sets
7	Electrician Tool Box With all required Tools as per Standard List	12 Box
8	Welder / Fitter Tool box With all required Tools as per Standard List	10 Box
9	1 inch Polypropylene Rope – 100Mtrs.	3 Roll
10	Insulation tester 500V / 1000V.	2 Sets
11	Torque wrench 10 – 250 Nm	3 Sets
12	Adjustable pliers / Spanner / Wrench (slip joint plier 1 no. each size) (a)8", (b) 6"	6 Sets
13	Tubular box spanner Hexagonal socket spanner (9/10 to 30/32mm) zinc plate	5 Sets
14	Nut driver Set with Socket from 2mm to 12mm	4 Sets
15	Sledge Hammer 2 No. each size (a) 5 kg. (b) 10 Kg.	8 Sets
16	Screw Driver 2 No. of each size(a) Blade 10x150mm Handle 22x90mm,Tip 0.8x 6 mm (b) Blade 10x300mm Handle 22x90mm	3 Sets
17	Insulated Line tester, Grounding Rod.	2 Sets
18	Spanners – Flat / Ring Type from 4 – 32mm	8 Sets
19	Welding Machine 1/2/3 Phase	8 Sets
20	Aluminum Telescopic Ladder, Aluminium Ladders (a)3Mtrs (b) 6Mtrs (c) A Type Ladders – 3 Mtrs.	12 Nos
21	PVC Insulated hand gloves	4 Sets
22	Running consumables like Welding, cutting electrodes, welding gas, Teflon tape, insulation tape, adhesives, component cleaner spray and other cleaning agents, cotton waste, adhesives, marking cloth etc. Besides this, general items for 20occasional minor repair and maintenance work such as Primer, paint for painting on replaced parts, wooden planks, ropes and wooden sleepers etc. shall also be arranged by the contractor	Sufficient stock as per requirement fixed by EIC
23	Hydraulic & Hand Crimping Tools	4 Sets
24	Big & Small Hacksaw frame with Blade	10 Nos
25	Hydraulic Jack – a) 8 Ton b) 10 Ton	4 Sets
26	Hydraulic Conduit bending Machine	3 Sets
27	(a)Drilling M/c (b) Grinding M/c (c) Shaper M/c (d) Cutting Machine	16 Sets
